fenice

Fenice is the bed which effortlessly brings together aesthetics and function in a triumph of finesse. The slightly tilted headboard provides a highly comfortable posture for reading and, obliquely inclined as it dovetails with the bedframe, it also creates an elegant geometric detail.

designed by
Manzoni&Tapinassi

The frame rests elegantly on feet in solid wood with a metal detail (the leitmotif of the collection).

svevo

A combination of Fifties' stylishness and night-time glamour, the Svevo bed's defining aesthetic is voluptuousness. The large bedframe and fully padded generous headboard are a wonderful fusion of visual comfort and fine design, while the open base gives a sensation of breeziness and linearity.

In tribute to Venus, the goddess of beauty, this is a bed that symbolises feminine sensuality. The ergonomic tilted position of the headboard softly padded with premium polyurethane offers a really comfortable reading position from which you can slide down and drop off into restful beauty sleep.

Feet upholstered in premium Natuzzi leather. Superiority also emerges from a detail.
